

Lead Buyer Mineral raw materials (m/f/d)

Location: DE-Wesel or DE-Haldensleben

Type: Full time

The globally operating Geberit Group is a European leader in the field of sanitary products. Geberit operates with a strong local presence in most European countries, providing unique added value when it comes to sanitary technology and bathroom ceramics. The production network encompasses 29 production facilities, of which 6 are located overseas. The Group is headquartered in Rapperswil-Jona, Switzerland. With around 12,000 employees in around 50 countries, Geberit generated net sales of CHF 3.0 billion in 2020.

In this Geberit group function as Lead Buyer Mineral raw materials you take responsibility for the realization and development of the group purchasing strategy for ceramic raw materials.

You are in charge of the technical leadership of the local purchasing employees and the relevant suppliers and materials, in line with the corporate strategy with the aim to ensure the supply for our ceramic plants in whole Europe.

Please mention in your application your preferred location (Wesel or Haldensleben). Thank you!
